Graphic Design

Australian owned and Gold Coast based, your new framed art is designed and assembled right here in Queensland.

Our clients and projects range from commercial fit outs, retailers, property stylists and interior designers through to customers updating their home & workspaces.

If you are looking to update your artwork, or wanting to add some personality to a room, contact us to see what we can do for your space!

Custom Commercial Art Packages

We take the hassle out of decorating your commercial space with art and help you put together pieces that not only look great but suit your industry and appeal to your target audience. Our interior design savvy Creatives can help you turn your accommodation into an inviting and relaxing space. You have the option of choosing art from our 1000+ collection or you can supply us with your own images and we can print and frame them for you.

We take the time to listen to your needs, so we can deliver exactly what you want

Before we get started we like to sit down and chat to you about your vision. If you have a specific idea in mind, we welcome you to bring inspiration images or sketches along, but if you have no idea and you're happy for us to take the reins that's ok too! We work with you from the design stage to delivery, so you stay up to date with your project, giving you the ultimate peace of mind.

Choose between framed art, stretched canvas or paper print

Not only can you choose from our extensive art collection, you can also choose how your commercial art comes. You have the option of framed art, stretched canvas or paper print. If you are unsure about which style will suit your desired look, chat to our design savvy team.

Framed Prints

Our Framed Prints are custom framed to order on the Gold Coast, Australia. We use only quality timber mouldings and finish our prints with a white matboard and glass or acrylic depending on the size. All framed prints come professionally finished and ready to hang on your wall.

Stretched Canvas

Our Stretched Canvases are printed on high quality canvas and stretched around a timber frame. They come professionally finished and ready to hang on your wall.

Paper Prints

Our Paper Prints are printed on either UltraSmooth Matte paper or a Satin finish paper depending on what suits the artwork (generally prints with a high content of black will be printed on the Satin paper). Your prints will arrive ready to frame or display as you wish.

Mirrors

Our Classic Mirrors are available in either a flat front mirror or with a bevel for that little touch of elegance! They come standard at approx. 670mm x 970mm and can be hung either vertically or horizontally - your choice.

Our Mirrors are custom framed to order on the Gold Coast, Australia. We use only quality timber mouldings and they come professionally finished and ready to hang on your wall. If you would like a special custom sized mirror please contact us for a quote.

Wallpaper

Our custom wallpaper is designed by our professional in-house Creatives. You can diversify your interior with our custom printed and designed wallpaper. Our custom wallpaper is durable, colourful and resistant to scratching and scrubbing which means it will last. When it comes to your design, the sky is the limit. You'll be amazed at how wallpaper can tie your décor together.

With our custom wallpaper, you can also incorporate your logo, slogan or company mission adding a personal touch.
